11 vs.

Cause No. C17-0853RSL

ORDER OF REFERENCE  
Privilege Review in Civil Case

15  
16 The Court hereby refers to United States Magistrate Judge James P. Donohue the above-  
17 captioned civil matter for a review of the files maintained by Anne Bremner and her law firm,  
18 Frey Buck, P.S., related to this litigation. The Court previously found that counsel had obtained  
19 defendants' privileged information while representing other clients, that the information was  
20 germane to issues raised in this litigation, and that the information could not be used to benefit  
21 Moi (who otherwise would not have had access to the privileged information) to the detriment of  
22 defendants. A review of counsel's litigation files is necessary to identify and remove any  
23 privileged material before the files are turned over to plaintiff's new counsel. The undersigned  
24 should not be involved in the review: Judge Donohue is authorized to finally resolve the  
25 privilege issues.

26 Anne Bremner and her law firm, Frey Buck, P.S., shall deliver the relevant litigation files  
27 to Judge Donohue's chambers for *in camera* review within seven days of the date of this Order.
